Beyond the Panda: Pambassador Programme

¹For Primary schools, booking of either 'Beyond the Panda' workshops or the 'China Mobile Library' is required. These are charged at normal rates, please see our website for details - <http://www.edinburghzoo.org.uk/discovery-learning/community-and-outreach/>

For Secondary schools, 'Beyond the Panda' workshops are available for transition days or S1 sessions. Alternatively the Secondary school can actively engage their feeder primaries to take part and/or senior students help to promote the programme.

²For example, the pupils' work can take the form of leaflets, magazines, games, videos etc. These need not be giant panda specific but must be about Chinese wildlife and China. For Bronze level, this work can be in-class material but some evidence should be shown that the pupils have considered how their work could be used in the wider world.

³For example, 'SCEN days at the Zoo' or equivalent. Alternatively, if the work created by the pupils can be reproduced or is made available online and evidence can be provided of a wider audience viewing and using the material, this would fulfil the criteria. This need not be solely about giant panda conservation but particular reference to the giant panda should be made.

⁴For example the pupils have delivered presentations on their work with a school in China or their hosting/visit experiences and linked to the wider work of RZSS and giant panda conservation.

For application form contact Sandie Robb, Senior Education Officer srobb@rzss.org.uk.

All applications must be on the official RZSS form, completed in full with dates of visits, samples and/or photos of pupils work, full details of activities, twinned school and/or China visits where appropriate.

Permission must be given for RZSS to use photos and material in RZSS and associated publications, website and Twitter.

RZSS reserve the right to change the terms and conditions in subsequent years but due notice will be given in the event of such changes.

Pambassador Programme

Applications must be completed on this form and sent with additional evidence, e.g. samples and/or photos of pupils' work, full details of activities, work with Chinese school and/or China visits where appropriate. Send to Sandie Robb, Senior Education Officer, The Royal Zoological Society of Scotland, 134 Corstorphine Road, Edinburgh EH12 6TS or email srobb@rzss.org.uk
