For well over 100 years, we have given animals the very best care – not only here but throughout the world with our conservation work. Many of the animals we keep at Edinburgh Zoo and Highland Wildlife Park are part of important breeding programmes, allowing us to protect animals now and in the future. With no direct government funding, we rely on fundraising to further our charitable work.

To take out an **Animal Adoption**, simply complete this form and return it to:

**Membership Department, RZSS,
Edinburgh Zoo, Edinburgh, EH12 6TS.**

Alternatively, visit www.edinburghzoo.org.uk and join online or call us on **0131 314 0374** during office hours and we will arrange your adoption over the phone.

THANK YOU!

TERMS AND CONDITIONS

Benefits are subject to change.

Refunds are not issued if adoption is cancelled mid-year.

In the event of your adopted animal not being in our collection for the duration of your adoption year, you will be given the opportunity to change your adopted species.

Adoption applies to the entire species at Edinburgh Zoo or the Highland Wildlife Park and not an individual animal.

Adopters are listed at the animal enclosure for Silver to Platinum packages only.

More than one person can be named on the adopter's certificate. However, adopters will only receive one adoption pack and one invitation to the adopter events.

We reserve the right to refuse admission and/or cancel adoption without refund if anyone behaves in a threatening or abusive way towards our staff, contractors, visitors or animals.

Expiry dates of complimentary tickets or membership cannot be extended past their expiry date.

Data Protection: It really helps us if we can communicate with you about our work and provide information about how you can support us. If you do not wish to receive any further information from the Royal Zoological Society of Scotland, please tick

ANIMAL ADOPTION

The RZSS introduced the idea of Animal Adoption during the first winter of the Second World War when members were invited to choose an animal at the zoo and pay for its food and upkeep.

The annual adoption fee goes towards the feeding of the animals, enrichment, heating indoor enclosures and veterinary treatment at both Edinburgh Zoo and the Highland Wildlife Park.

There are four adoption levels to choose from and you can adopt any species at either park.

For a full list of animals available to adopt please visit www.edinburghzoo.org.uk.
